Visit to AiDLab and HKRITA

About AiDLab
AiDLab is the first research platform that focuses on the integration of Artificial Intelligence (AI) with design. It was jointly established by The Hong Kong Polytechnic University (PolyU) and the Royal College of Art (RCA) in the UK, and is funded by the HKSAR Government under the InnoHK Research Clusters.

About HKRITA
Established in 2006, The Hong Kong Research Institute of Textiles and Apparel (HKRITA) is funded by the Innovation and Technology Commission of the HKSAR government, and hosted by The Hong Kong Polytechnic University.

HKRITA has achieved research deliverables over the years around our research clusters targeting in industry 4.0, sustainability, and social benefits through centre-owned research teams and laboratories as well as collaborations with industry partners and institutions.
